Summary

Computer Engineering student focused on backend development, full-stack web applications, and practical software projects. Experienced with Java, JavaFX, JDBC, MySQL, HTML, CSS, JavaScript, Git, and GitHub. Currently exploring Spring Boot, REST APIs, and MERN stack fundamentals.

Education

Bachelor of Computer Engineering <i>Cosmos College of Management and Technology, Pokhara University</i>	2023 – Present <i>Lalitpur, Nepal</i>
Technical Stream – Computer Engineering <i>Amar Secondary School, NEB</i>	2019 – 2023 <i>Ilam, Nepal</i>
• SEE GPA: 3.88 Grade 12 GPA: 3.45	

Experience

Instructor – Basic Computer Class <i>Kantipur Multi Technical College (OJT)</i>	Aug 2023 – Nov 2023 <i>Ilam, Nepal</i>
• Taught beginner-level computer skills including software usage, typing, and internet navigation.	
• Guided students through practical lab sessions and prepared basic learning materials.	

Projects

College Management App	GitHub
• Built a JavaFX and MySQL desktop application for college event management and academic workflows.	
• Implemented signup/login, OTP verification, role-based access, event management, and chat features.	
Student Management System	GitHub
• Developed a Java, JDBC, and MySQL application for managing student records, attendance, and grades.	
• Implemented CRUD operations with database connectivity and a simple GUI.	
Spring Boot Backend Exploration	GitHub
• Practicing Spring Boot concepts including REST APIs, dependency injection, and backend structure.	
• Exploring Spring Data JPA and relational database integration.	
MERN Stack Learning Project	GitHub
• Building a hands-on project using MongoDB, Express.js, React, and Node.js.	
• Practicing API integration and frontend-to-backend request-response flow.	

Technologies

Languages:	C, C++, Java, JavaScript, Basic Python, C#
Frontend:	HTML5, CSS3, Bootstrap, React (<i>learning</i>)
Backend:	JDBC, JavaFX, Node.js (<i>learning</i>), Spring Boot (<i>exploring</i>)
Databases:	MySQL, MongoDB (<i>learning</i>), SQL Server, DBMS concepts
Tools:	Git, GitHub, IntelliJ IDEA, VS Code
Soft Skills:	Problem solving, teamwork, communication, logical thinking, adaptability

Certificates

- Build a Free Website with WordPress – Coursera Project
- Introduction to Front-End Development – Coursera
- Programming with JavaScript – Coursera
- Introduction to Version Control – Coursera
